So…
How did your meetings go?

Memoranda of Understanding

- Less formal than a contract (legally binding)

- Non-combative terms

- More formal than a handshake

- Mutually beneficial framework

- MOUs are beneficial not because they are enforceable, but because of the time/effort that both parties have to put into it

Memoranda of Understanding

- Brainstorm <u>common objectives</u>, what do you want? What do you offer?

- Deliverables

- Communication (Contact details, timing)

- Dates and expectations for performance reviews

- Dispute resolution

- When agreement begins/ends

- "This memorandum is not intended to and does not create any contractual rights between these parties."

Code of Ethics

- There have been several Learning Analytics Codes of Ethics drawn up for institutions:

    - Open University

    - JISC

    - American Library Association

Anonymous Code of Ethics Survey
